

# Anything For Love

(Meat Loaf)

I would do anything for love  
I'd run right into hell and back  
I would do anything for love  
Never lie to you and that's ↓ a fact

But I'll (Uh...) never forget the way  
you feel right now, oh no... no way

And I would do anything for love  
Oh, I would do anything for ↑ love  
I would do anything for love  
But I won't do that... No I won't do that

**Klatschen (BAND)**

\_ \_ And some days, it don't come easy  
\_ \_ And some days it don't come hard  
\_ \_ Some days it don't come at all and...  
These are the days that never end

\_ \_ And some nights you're breathing fire  
\_ \_ And some nights you're carved in ice  
\_ \_ Some nights you're like nothing I've ever  
Seen before.. or will again

And maybe I'm crazy  
Oh it's crazy and it's true  
I know you can save me  
No one else can save me now but you

\_As long as the planets are turning  
\_As long as the stars are burning  
\_As long as your dreams are coming  
True - You better believe it

That I would do anything for love  
Oh, I would do anything for ↑love  
I would do anything for love  
But I won't do that ... No I won't do that

I would do a-ny-thing for love  
Any-thing you've been drea..ming of  
But I just won't do that

I would do a-ny-thing for love  
Any-thing you've been drea..ming of  
But I just won't do that

\_ \_ And some days I pray for silence  
\_ \_ And some days I pray for soul  
\_ \_ Some days I just pray to the God of  
Sex and Drums and Rock'n'Roll  
\_ \_ And some nights I lose the feeling  
\_ \_ And some nights I lose control  
\_ \_ Some nights I just lose it all when I  
Watch you dance and the thunder rolls

And maybe I'm lonely  
That's all I'm qualified to be  
There's just one and only  
The only promise I can keep

\_As long as the wheels are turning  
\_As long as the fire is burning  
\_As long as your prayers are coming  
True - You better believe it

That I would do anything for love  
And you ↑know it's true and that's a fact  
And I would do anything for love  
And there'll ↑never be no ↓turning back

But I'll (Uh...) never do it better than I  
Do it with you, So long... So long...

And I would do anything for love  
Oh, I would do anything for ↑love  
I would do anything for love  
But I won't do that  
No I won't do that

I would do a-ny-thing for love  
Any-thing you've been drea..ming of  
But I just won't do that  
I would do a-ny-thing for love  
Any-thing you've been drea..ming of  
But I just won't do

Anything for love  
No, I won't do that  
No, I won't do that

# The Show Must Go On

(Queen)

Empty spaces... What are we li...ving for?  
Abandoned places... I guess we ↑know... the score  
... On and on

Does anybody know... what we are looking for?

Another hero... another mi...ndless crime  
Behind the curtain.. in the ↑pa...ntomime  
... Hold the line

Does anybody want... to take it ↑anymore?

The show must go on  
The show must go on

Inside my heart is breaking  
My make-up may be ↑fla..king  
But my smile... still.. stays on

Whatever happens.. I'll leave it all... to chance  
Another heartache.. another ↑fai..led romance  
On and on

Does anybody know... what we are ↑living for?

I guess I'm learning (I'm learning)  
I must be wa...rmer now  
I'll soon be turning (turning)  
'round the cor↑ner now

(Outside the dawn is breaking  
But inside in the ↑dark... I'm aching to be free)

The show must go on...

The show must go on

Inside my heart is breaking  
My make-up may be ↑fla..king  
But my smile... still.. stays

**BAND**

(My soul is pai..nted like the wings of butterflyes  
Fairy tales of yesterday grow but never die  
I can ↑fly.... my friends)

The show must go on...

The show must go on

(I'll face it with a grin... I'm never giving in... on... with the show)

**BAND**

Inside my heart is breaking  
My make-up may be fla...king  
I go on... with the show.... with the show

The show must go on

# What A Feeling

Elisa:

(First when there's nothing... but a slow glowing dream  
That your fear seems to hide... deep in ↓ side your mind

All alone I have cried... silent tears full of pride  
In a world ↓ made of steel, made of stone)

**BAND**

Well, I hear the music  
Close my eyes, feel the rhythm  
Wrap around, ↑ take a hold of my ↑ heart

What a feeling...  
Bein's believin'...

I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive,  
you can dance right through your ↑ life

Now I hear the music  
Close my eyes, I am rhythm  
In a flash it takes hold of my ↑ heart

What a feeling...  
Bein's believin'...

I can have it all, now I'm dancing for my life  
Take your passion and make it happen  
Pictures come alive,

What a feeling – I am.. music now  
Bein's believin' – I am.. rhythm now

# Your're The Voice

(We have the chance to turn the pages over  
We can write, what we want to write  
We gotta make ends meet, before we get much older)

Uh.. We're all someone's daughter  
We're all someone's son

↑How long can we look at each other  
Down the barrel of a gun?

You're the voice, try and understand it  
Make the noise and make it clear, oh, woah  
We're not gonna sit in silence  
We're not gonna live with fear, oh, woah

(This time... we know we all can stand together  
With the power to be powerful  
Believing, we can make it better)

Uh.. We're all someone's daughter  
We're all someone's son

↑How long can we look at each other  
Down the barrel of a gun?..... [warten..]

You're the voice, try and understand it  
Make the noise and make it clear, oh, woah  
We're not gonna sit in silence  
We're not gonna live with fear, oh, woah
